

Certified Austrian Accountant

BIOGEST® is an international manufacturer of biomethane and biogas plants with headquarters in Austria and subsidiaries in France, Italy, Romania, Serbia, the Czech Republic, the UK and the USA. With a team of more than +70 highly qualified employees, we have already realised more than 170 biogas plant projects that generate electricity or biomethane worldwide and thus contribute to climate protection. In addition to its plant manufacturing unit, Biogest's OPO (Own Plant Operations) business unit constructs and operates biogas plants in which it has a majority stake holding.

We are looking for a Certified Accountant for our Headquarter in Austria with the career opportunities:

Location: Vienna (AT), asap – Fulltime 40 hours

WE OFFER:

- A varied range of tasks in a growth-oriented company with exciting challenges.
- A young, agile and international team
- The opportunity to achieve a lot with flat hierarchies and proactive commitment and to be able to develop further depending on your competence
- A modern office in a central location near Vienna's main railway station
- Vienna annual travel pass, laptop and company mobile phone
- Flexible time management and home office option

YOUR TASKS:

In close cooperation with the Senior Manager, you are responsible for:

- Responsibility for the departments of Accounting & Taxes
- Direct supervisor of the accounting team in the group (mainly Austria)
- Initiatives to improve reports, processes and the effectivity of accounting procedures
- Initiates a fast-closing accounting process
- Management of financial Reporting, the annual accounts and of accounting procedures
- Communication and cooperation with external parties, e.g. auditors, local authorities, tax advisors
- Analysis and evaluation of monthly key figures and acts as a hub to other departments

YOUR SKILLS:

- At least 3 - 5 years of accounting experience preferably in the engineering or project business, experience in responsible financial leadership roles desirable
- Certified management accountant (Austrian Bilanzbuchhalter)
- In-depth knowledge of local Austrian GAAP, IFRS and of tax (VAT)
- Proficiency in the use of Dynamics NAV (or similar) would be a benefit, MS Office is a must
- Native German speaking and good command in Business English (C1 or CAE)
- Strong interpersonal, leadership and communication skills
- An analytical mind, comfortable with numbers
- Pragmatic, proactive can-do attitude with a bias for action, business development and solution orientation
- Flexible and structured personality, even when facing uncertainty, ready to accept changes

For this position we offer you an interesting salary that takes into account both your professional and personal skills and your previous professional experience. Due to statutory provisions, we are obliged to announce the minimum basic wage according to the classification according to the collective agreement, which for this position is EUR 3007,20 gross per month (full-time).
